

# China's 7th Round of VBP

Afatinib oral normal release	Nifedipine sustained release
Aripiprazole oral disintegrating tablets	Nifedipine controlled release
Ondansetron hydrochloride injection	Bromhexine injection
Omeprazole sodium for injection	Lurasidone hydrochloride tablets
Octreotide acetate injection	Memantine hydrochloride sustained-release capsules
Oseltamivir oral normal release	Ibandronic acid injection
Pioglitazone oral normal release	Irinotecan injection
Tenofovir alafenamide oral normal release	Ebastine oral regular release
Calcium acetate oral normal release	Edaravone injection
Isosorbide mononitrate oral normal release	Eptifibatid injection
Iopamidol injection	Ezetimibe oral normal release
Erlotinib oral normal release	Temozolomide injection
Metformin vildagliptin oral normal release	Zoledronic acid injection
Flunarizine oral normal release	Zoledronic acid injection
Flupentixol and melitracen oral normal release	Methylprednisolone oral normal release
Fondaparinux sodium injection	Methylprednisolone injection
Lenvatinib mesylate capsules	Methylprednisolone injection
Caffeine citrate injection	Ornidazole oral regular release
Lacosamide oral normal release	Compound sulfamethoxazole oral normal release
Leflunomide oral normal release	Clindamycin phosphate injection
Lidocaine injection	Roxithromycin oral normal release
Rocuronium bromide injection	Cefaclor oral liquid
Mycophenolate mofetil oral normal release	Cefixime granules
Metoprolol sustained release	Cefixime oral normal release
Milrinone injection	Cefmetazole injection
Paricalcitol injection	Cefminox injection
Palonosetron injection	Meropenem injection
Propranolol oral regular release	Micafungin injection
Sunitinib oral regular release	Tigecycline injection
Terbutaline inhaler	Cefepime injection
Tirofiban injection
