

# EVERY HOUR MATTERS

## IMAGINE THIS:

An importer of a generic antibiotic lands a large government contract

Multiple orders required over multiple years

Precision in delivery and distribution is critical

## THE SOLUTION:

Proven transportation and logistics services expertise paired with established carrier relationships

Detailed project planning:

- Coordinates all stakeholders
- Pays special attention to shipping requirements
- Outlines continuous improvement process

## RESULTING IN:

Monthly sales increase by 40%

An additional 35 truckloads of product is requested, processed and shipped within 24 hours
